I'm signing with a new manager!!!

I was looking for an agent originally and this meeting kind of fell into my lap (was contacted the week between week 1 and 2 of Christine's Agent Attraction Method - so maybe putting that Dream Team intention into the universe sent this to me!)

Just sent out my first set of "Love Notes" and I could not be more proud to be a Hollywood Bound Actor! Procrastination and Perfectionism have been CRIPPLING me for too long. I'm finally at the point where I'm confident enough to, at the very least, ATTEMPT to grab my career/life by the horns (No Pun, Christine 😊).

Can't thank you enough, Christine. — 😊 feeling motivated.
